

For over 90 years, the Florida Nurses' Association has been the voice of nursing, representing caregivers in all aspects of nursing and in various arenas. We are a membership organization comprised of nurses from diverse practice settings and nursing specialties. We are dedicated to quality care for the citizens of Florida and a safe work environment for all nurses in the state. We are the only nursing organization with a full-time presence in Tallahassee monitoring legislation and advocating in nursing and healthcare issues. [Membership \(Download form\)](#) in FNA gives you the benefit of belonging to and participating in the local (District), state (FNA), and national (ANA) organizations
